COLLECT TELEPHONE CALLS.

For a period of about 12 months we have been receiving an excessive amount of COLLECT TELEPHONE CALLS.

Therefore we have established the following policy:

We will accept all Collect Telephone Calls, when it pertains to placing orders, however for all other reasons, telephone calls must be Prepaid.

A SALUTE TO MY COMPETITORS

My competitors do more for me than my friends do; my friends are too polite to point out my weakness, but my competitors go to great expense to advertise them.

My competitors are efficient, diligent, and attentive; they force me to search for ways to improve my products and service.

My competitors would take my business away from me if they could; this keeps me alert to hold what I have.

If I had no competitors, I would be lazy, incompetent, inattentive; I need this discipline they enforce upon me.

I salute my competitors; they have been good to me. God bless them all.
